I. General Terms and Conditions of TÜV Rheinland Vietnam (hereinafter "TRV")

1 Scope

- 1.1 The following General Terms and Conditions (hereinafter "GTC") of TRV apply to the services agreed between TRV and the client (hereinafter the "Parties") and include the ancillary services and other ancillary obligations provided within the framework of the execution of the contract (hereinafter jointly referred to as "Services"). In addition, and overriding to these General Terms and Conditions, the Special Terms and Conditions shall apply.
- 1.2 Both consumers and entrepreneurs may be clients within the meaning of these GTC.
- 1.3 If the client is a consumer, the "II. Special Terms and Conditions for Consumers" shall apply in addition and overriding to the General Terms and Conditions and the Special Terms and Conditions.
- 1.4 Conflicting or deviating terms and conditions of the client do not apply and are hereby excluded. General terms and conditions of the client shall not become part of the contract even if TRV does not expressly object to them, accepts payments of the client without reservation, or performs the Services without reservation.
- 1.5 In the context of an ongoing business relationship with the client, these GTC and the Special Terms and Conditions shall also apply to future contracts with these clients without TRV having to refer to them separately in each individual case.
- 1.6 Insofar as these GTC or the Special Terms and Conditions refer to the term "accreditor", this also includes authorization and recognition organizations; the terms "accreditation specifications", "accreditation requirements" and "accreditation procedures" apply accordingly to the specifications and procedures of the authorization or recognition organizations.
- 1.7 Insofar as these GTC or the Special Terms and Conditions refer to a written form requirement, written form within the meaning of the laws of Vietnam is sufficient to observe the written form requirement.
- 1.8 Individual agreements made with the client in individual cases (including collateral agreements, supplements, and amendments) shall in any case take precedence over these GTC. Subject to evidence to the contrary, a written contract or written confirmation from TRV is authoritative for the content of such agreements.

2 Quotations and conclusion of contract; term of contract

- 2.1 The contract is concluded by signing of the offer letter from TRV or a separate contract document by both contracting Parties or by TRV providing the Services requested by the client. If the client commissions TRV without a prior offer from TRV, TRV is entitled, at its sole discretion, to accept the order by a written declaration of acceptance or by rendering the Services ordered.
- 2.2 Insofar as a certain term of the contract has been agreed upon, this shall be based on what has been agreed in the offer of TRV or in the contract. An agreed term shall be extended by the term provided for in the offer or in the contract if the contract is not terminated in writing by one of the contracting Parties three (3) months prior to its expiration date.

3 Services Provision and scope of Services

- 3.1 Scope and type of Services to be provided by TRV are specified in the contractually agreed service description of TRV. If no separate service description of TRV is available, the last offer of TRV governs for the Services to be provided. The Parties can only agree on changes to the service description in writing. Unless otherwise agreed, Services beyond the scope of the service description (e.g., checking the correctness and functionality of parts, products, processes, installations, organizations not listed in the service description, as well as the intended use and application of such) are not owed. In particular, no responsibility is assumed for the design, selection of materials, construction or intended use of an examined part, product, process or plant, unless this is expressly stated in the order.

- 3.2 TRV is entitled to determine the method of service provision including examinations or tests carried out at its own discretion if not otherwise agreed in writing or mandatory regulations require a certain procedure.
- 3.3 If mandatory legal regulations and standards or official requirements for the agreed Services change after conclusion of the contract, TRV shall be entitled to additional remuneration for expenses required to address any such required changes.
- 3.4 Unless contractually agreed, when testing, TRV does not guarantee the accuracy of the safety programs or safety regulations on which the tests are based, which have been made available by the client or by third parties.
- 3.5 The Services owed under the contract are agreed exclusively with the client. A contact of third Parties with the Services of TRV, as well as making available and reliance on the performance results by any third party, is not part of the agreed Services. This also applies if the client passes on performance results - in full or in extracts - to third parties in accordance with Clause 10.4.
- 3.6 The Parties shall not include any third Parties in the scope of protection of the contract, unless the Parties have expressly agreed to such inclusion in writing, naming the third Party.

4 Performance periods/dates

- 4.1 The performance periods and dates specified in the contract are non-binding unless the performance periods and dates are expressly marked as binding in the contract.
- 4.2 If performance is delayed, the client may only withdraw from the contract in accordance with the statutory provisions if TRV is responsible for the delay in performance. Any statutory rights of termination remain unaffected. TRV is not responsible for a delay in performance, in particular if the client has not fulfilled its duties to cooperate in accordance with Clause 5.1 or has not done so in time and, in particular, has not provided TRV with all documents and information required for the performance of the service as specified in the contract.
- 4.3 If the client is obliged to comply with legal, officially prescribed and/or by the accreditor prescribed deadlines, it is the client's responsibility to agree on performance dates with TRV, which enable the client to comply with the legal and/or officially prescribed deadlines. TRV assumes no responsibility in this respect unless TRV expressly agreed in writing specifically stating that ensuring the deadlines is the contractual obligation of TRV.

5 Cooperation obligation of the client

- 5.1 The client shall carry out or provide all necessary cooperation and/or supporting information or documents, in particular the cooperation and/or supporting information or documents specified in Section II (Special Terms and Conditions) and shall provide information which enable TRV to render the contractual Services in conformity with the contract. The client is responsible for ensuring that all necessary cooperation actions, documents and information on its part, its agents or other third parties assigned to its sphere are provided in good time and free of charge for TRV.
- 5.2 All cooperation, documents and information mentioned under Clause 5.1 must comply with the relevant statutory regulations, standards, safety regulations and accident prevention regulations.
- 5.3 The client shall bear any additional costs incurred because of Services having to be repeated or being delayed due to delayed, incorrect or incomplete information or improper cooperation attributable to client. Even if a lump sum or a maximum price has been agreed, TRV is entitled to invoice these additional costs.
- 5.4 The client shall ensure TRV employee is provided with a safe work environment for executing the work assignments at client's premises and also provide necessary inductions on workplace hazards, additional activity specific personnel protective equipment as applicable.

6 Prices and accounting of Services

- 6.1 Insofar as TRV and the client have agreed a fixed lump-sum price in the contract, this shall be invoiced. If the scope of Services is not completely defined in writing when the contract is concluded, the Services provided by TRV are invoiced according to the expenditure of time and the fee agreed in the contract.

If the amount of the fee has not been agreed in writing in the contract, invoicing shall be based on the TRV price list valid at the time the Services is provided, which will be made available to the client upon request. Unless otherwise agreed, the applicable value added tax or similar tax has to be added to the agreed upon price.
- 6.2 Unless otherwise agreed in writing, the applicable value added tax has to be added to the agreed upon price. Partial acceptance is possible. In the event of partial acceptance, the partial remuneration is due after successful acceptance of individual work parts.
- 6.3 TRV is entitled to demand down payments for Services already provided in accordance with the contract in the amount of the value of the Services provided and owed under the contract.

7 Payment terms/costs/offsetting

- 7.1 All invoice amounts are due for payment within 30 days of the invoice date.

All invoice amounts are due for payment immediately without deduction upon receipt of the invoice. Discounts and rebates are not granted.
- 7.2 Payments shall be made to the bank account of TRV stated in the invoice, indicating the invoice number and client number. Unless otherwise agreed by the Parties in the contract, payments shall be made to the bank account of TRV stated in the invoice, indicating the invoice number and client number within 30 days of the invoice date. Payments shall be made in Vietnam Dong or in foreign currency, if permitted by Vietnamese law.
- 7.3 In the event of default as to late payment by clients, TRV is entitled to charge default interest at a rate of 20% per year on above default balance calculated on daily basis. TRV reserves the right to claim further damages.
- 7.4 If the client is in default with the payment of the invoice, TRV is entitled to withdraw from the contract with the client after expiry of a reasonable grace period (a) to withdraw an already issued certificate or test mark, to demand back work results, such as test reports, and to declare declarations of conformity invalid and (b) to terminate the contract without notice in the event that the contract is a continuing obligation or a contract with an agreed term.
- 7.5 Insofar as TRV becomes aware of circumstances after conclusion of the contract from which insolvency or other significant deterioration of the client's financial circumstances occurs or threatens to occur and the fulfilment of the contractual obligations is thereby endangered, TRV is entitled to refuse the corresponding Services under the contract. The right to refuse performance shall cease to apply if the client effects the contractual obligations or provides security in the amount of the endangered payment claim. If the client does not provide its services owed or adequate security within a reasonable period of time, TRV is entitled to terminate the contract while maintaining its claims for compensation and penalty.
- 7.6 Objections regarding TRV's invoices must be made in writing within 2 weeks of receipt of the invoice. TRV will make special reference to the aforementioned payment deadline in its invoices.
- 7.7 TRV is entitled to demand an appropriate advance payment, insofar as this is reasonable for the client taking into account the order value and the scope of the service owed by TRV.
- 7.8 Only legally established or undisputed claims may be offset against claims of TRV. This limitation of set-off does not apply if the claims and counterclaims of TRV and the client are based on the same legal relationship. The same applies to the assertion of rights of retention by the client.

I. General Terms and Conditions of TÜV Rheinland Vietnam (hereinafter "TRV")

7.9 TRV shall be entitled to raise its fees at the beginning of a month if overheads and/or purchase costs have increased. In this case, TRV shall notify the client in writing of the rise in fees. This notification shall be issued one month prior to the date on which the rise in fees shall come into effect (period of notice of changes in fees). If the rise in fees remains under 5% per contractual year, the client shall not have any special right of termination. If the rise in fees exceeds 5% per contractual year, the client shall be entitled to terminate the contractual relationship by the end of the period of notice of changes in fees. If the contract is not terminated, the changed fees shall be deemed to have been agreed upon expiry of the above period.

7.10 Client shall pay any taxes, including VAT or similar tax, due in relation to the Services provided. TRV will only apply the zero VAT rate for exported services if client can substantiate that all conditions are fulfilled, and appropriate documentation is provided by the client as required under prevailing tax regulations. In the event that the Vietnamese tax authorities determine that the facts presented by the client are incorrect and assess standard VAT rate, the client agrees to pay the assessed VAT plus applicable penalties and interest to TRV within thirty (30) days of being advised by TRV.

8 Acceptance

8.1 In the case of agreed contractual Services or if acceptance of the work has been contractually agreed, the client is obliged to accept immediately after notification of completion, even in the case of partial performance or completion of self-contained parts. The costs of acceptance shall be borne by the client.

8.2 If the client does not meet its acceptance obligation without delay, acceptance shall be deemed to have taken place four (4) calendar weeks after the performance of the service if TRV specifically refers the client to the aforementioned period when the service is performed.

8.3 The client is not entitled to refuse acceptance due to insignificant defects.

9 Confidentiality

9.1 "Confidential Information" means all information, documents, pictures, drawings, know-how, data, samples and project documents handed over by one Party (hereinafter "Disclosing Party") to the other Party (hereinafter "Receiving Party") or otherwise disclosed from the beginning of the contract. This also includes copies of this information in paper and electronic form. When provided in writing or in any other physical form, Confidential Information must be identified by the words "confidential" or a similar wording indicating the confidential nature of the information.

In the case of Confidential Information that is passed on orally, appropriate prior notice of the confidentiality of such information must be provided and later memorialized in writing.

TRV is entitled to store, use, further develop and pass on the data obtained in connection with the provision of Services for the purposes of developing new Services, improving Services and analyzing the provision of Services.

9.2 Confidential Information

(a) May only be used by the Receiving Party to fulfil the purpose of the contract, unless otherwise expressly agreed in writing with the Disclosing Party,

(b) May not be duplicated, distributed, published or passed on in any other form by the receiving Party, with the exception of such Confidential Information necessary to fulfil the purpose of the contract or such Confidential Information which the Receiving Party must pass on the basis of judicial instructions or legal or governmental regulations; this concerns in particular the Confidential Information to be passed on to supervisory authorities and/or accreditors of TRV within the framework of an accreditation procedure or, within the

framework of the provision of Services, to Affiliated Companies of TRV or subcontractors or their respective employees. "Affiliated Companies" shall mean all companies, directly or indirectly, owned or controlled by, or owning or controlling, or under common control with a Party. For purposes of this definition "control" of a company shall mean to have, directly or indirectly, (i) the ownership of the majority of shares or voting rights or (ii) the right to elect or appoint, directly or indirectly, the majority of the managing directors, the board of directors, or a similar managing body or (iii) the power to direct or cause the direction of the management and policies of a corporation, company or other entity.

9.3 The Receiving Party shall make the Confidential Information received from the Disclosing Party available only to those persons who need it to provide Services under this GTC. These persons include advisors to the Receiving Party and its Affiliates and subcontractors.

9.4 The term "Confidential Information" does not include information which

The above-mentioned obligation to return or destroy does not apply to

(a) Reports and certificates drawn up exclusively for the purpose of fulfilling the contractual obligations under the contract for the client, which remain with the client. However, TRV is entitled to take copies of this and the Confidential Information, which forms the basis for the preparation of these reports and certificates, as proof of proper performance of the contract and for general documentation purposes for its files; or

(b) Confidential Information that is stored on backup servers or in analog backup systems on a generational basis during routine data backups as part of normal archiving processes; or

(c) The extent contrary to laws, regulations, orders of a competent court, an administration or supervisory authority or an accreditation body.

9.6 This confidentiality obligation exists from the beginning of the contract and continues to apply for a period of five years after termination of the contract.

10 Copyrights and rights of use, publication

10.1 The copyrights of the reports, test reports, test results, expert opinions, results, calculations, representations, etc. prepared within the scope of the order (hereinafter "Performance Results") are owned by TRV. As the owner of the copyrights, TRV is free to grant others the right to use the Performance Results for individual or all types of use (hereinafter "Right of Use").

10.2 The client receives a non-exclusive, unlimited, non-transferable, non-sub licensable right of use to the contents of the service results produced within

the scope of the order, unless otherwise contractually agreed in individual cases. The Right of Use is limited to the contractual purpose (e.g., use of test reports, audit reports as proof of audits carried out or in the case of a contractually agreed review of a management system for conformity with certification conditions as proof of the corresponding decision).

10.3 The transfer of Rights of Use of the generated Performance Results regulated in Clause 10.2. of these GTC is subject to full payment of the remuneration agreed in favor of TRV.

10.4 The client may only pass on the Performance Results in full unless TRV has given its prior written consent to the partial passing on of Performance Results.

10.5 Any publication or reproduction of the Performance Results for advertising purposes or any further use of the Performance Results beyond the scope regulated in Clause 10.2 requires the prior written consent of TRV in each individual case. The client shall be responsible for and hold TRV harmless from any damages or complaints caused by publication or duplication of the service results for promotion purposes.

10.6 TRV may revoke a once given approval according to Clause 10.5 at any time without stating reasons. In this case, the client is obliged to stop the transfer of the Performance Results immediately at its own expense and, as far as possible, to withdraw publications.
